All plans created by Precision Property Measurements. Use of these plans is restricted to the project for which they were prepared. No part of these plans may be reproduced, stored in a retrieval system, or transmitted in any form or by any means, electronic, mechanical, photocopying, recording, or by any information storage and retrieval system, without the prior written permission of Precision Property Measurements. PPM makes every reasonable effort to ensure the accuracy of the information based on the data provided. However, some of the drawings are preliminary and are subject to change. It is the duty of the architect, contractor, designer or other licensed professional, as a consultant to the property owner, to determine the suitability of the As-Built plans prior to construction. Measurements should be field confirmed before commencing construction. In the event that an error is found on a plan, PPM's liability is limited to the amount of the fee paid to PPM.
